

**CW&I group: CW&I objectives feedback April 2026**

Aims and objectives for the CW&I group can be found at <https://onenortherndevon.co.uk/our-work/community-development/community-wellbeing-and-inclusion/>

CW&I Objective	Strengths	Weaknesses (Internal)	Opportunities	Threats (External)
<p><b>Support</b> communities to deliver the PLANT objectives</p>	<ul style="list-style-type: none"> <li>• Community spirit survey (NDVS)</li> <li>• TTVS/OND VCSE Mapping</li> <li>• Existing ND assets (Joy App, Devon Connect, CW&amp;I group)</li> <li>• Data (Cultural values survey)</li> <li>• Lottery evaluation incl. ripple mapping</li> <li>• NDC crisis care fund and data sharing work</li> <li>• OCs have potential to make changes</li> </ul>	<ul style="list-style-type: none"> <li>• OND and OC still not explicitly aligned (Lottery is supporting alignment)</li> <li>• Representation of OCs: don't have data to know who is involved / engaged (PLANT template will be baseline)</li> </ul>	<ul style="list-style-type: none"> <li>• Create shared, meaningful measures (KPI, outcomes, benefits)</li> <li>• Find examples or 'truly' collaborative work / find opportunities to work together with objectives</li> </ul>	<p>Competing and confusing priorities, programmes and desired outcomes</p>
<p><b>Share</b> the strengths, needs, priorities, outputs and outcomes of each of our local communities to OND &amp; NDF</p>	<ul style="list-style-type: none"> <li>• PCN have 40+ years' experience, hands on data (Joy App) and contact with vulnerable populations.</li> </ul>	<ul style="list-style-type: none"> <li>• Data sharing</li> <li>• CW&amp;I no resources / low capacity ('on top of day job').</li> <li>• OC membership / lack of demographic data – are they representative? is it</li> </ul>	<ul style="list-style-type: none"> <li>• Create a Quarterly Microsoft form to share data</li> <li>• Neighbourhood Health</li> <li>• VUCA - strategies/methods do exist to adapt and</li> </ul>	<ul style="list-style-type: none"> <li>• Local Government organisation (could also benefit but unknown)</li> <li>• VUCA environment (confusing / reduces momentum)</li> </ul>

		lacking residents voice?	iterate in a way that derives value <ul style="list-style-type: none"> <li>Local Government organisation</li> </ul>	
<b>Shape</b> recommendations for system-level partners based on what we have learned from our communities				
<b>Strengthen</b> two-way communication and feedback loops so that community insight informs system-level decision-making	<ul style="list-style-type: none"> <li>CW&amp;I group membership / connections</li> <li>Governance <b>structure</b> exists</li> </ul>	<ul style="list-style-type: none"> <li>No feedback loops (we don't hear from OND/NDF)</li> <li>No ICB member to support 2-way discussion.</li> <li>Lack governance <b>process</b> to share info</li> </ul>
